I. Introduction

A. Applicability

These guidelines discuss general program requirements and restrictions related to the administration of the Sexual Assault Victims Services (SAVS) Grant Program funded by the State of Wisconsin. This revision supersedes all previously issued guidelines.

B. Administration

The Wisconsin Department of Justice, Office of Crime Victim Services (OCVS) is the state agency responsible for administration of the SAVS awards.

C. Authority

These guidelines apply to grants awarded by the State of Wisconsin pursuant to s.165.93 (Appendix A).

D. Funding Source

The funding source for the SAVS Grant Program is General Purpose Revenue of Wisconsin's State Budget and Part C of the Child Pornography Surcharge.

E. Program Goal

The goal of the SAVS Grant Program is to develop, expand, enhance, and/or support comprehensive sexual assault victim services so they are available to victims of sexual assault regardless of where they reside in Wisconsin.

II. Eligibility Requirements

A. Statutory Requirements

The SAVS Grant Program was created under section 165.93, Wis. Stats. The eligibility requirements are defined in this statute. See IX. (Appendix A) for statute.

The intent of the requirements was to encourage the funding and therefore the development of comprehensive sexual assault services rather than specialized services, such as an agency that only provides therapy to child sexual assault victims.

B. Core Services

The SAVS legislation provides a brief list of services that must be offered by award recipients. Shortly after the creation of the SAVS Grant Program, the Wisconsin Coalition Against Sexual Assault (WCASA) funding subcommittee more fully defined the basic services that a sexual assault victim service provider should be expected to provide.

OCVS uses WCASA's list of core services in its application materials and monitoring process since the sexual assault service providers themselves developed and understand these definitions. The statistical information that OCVS is mandated to collect from grantees has also been designed to reflect these core services.

24 Hour Crisis Response: Agency provides a telephone number with 24-hour immediate access to a person trained in providing sexual violence crisis counseling/intervention, information and referrals.

Personal Advocacy: Agency addresses victim's/survivor's self-identified needs through an ongoing supportive process of listening, providing emotional support, identifying options, problem solving and skills development.

Systems Advocacy: Agency acts on behalf of and in support of victims/survivors of sexual violence to ensure their interests are represented and their rights upheld. This includes legal and medical accompaniment/advocacy, as well as the development of cooperative relationships with community partners in order to improve systems response to all survivors.

Information and Referral: Agency provides and maintains current information pertaining to appropriate community resources.

Support Groups: Agency provides regular facilitated meetings of victims/survivors of sexual violence and/or survivor allies (e.g. family members, partners) with a supportive and educational focus.

Accessible Services: Agency adheres to policies, procedures, attitudes, communications and accessible physical space (according to ADA guidelines) for all members of the community. Agency works toward removing barriers to services through a commitment to cultural competency.

Community Outreach and Prevention Education: Agency increases awareness and understanding about sexual violence through community outreach and engagement.

III. Grant Application Cycle

The SAVS grant application process is typically on a three year cycle; however awards are granted for one year at a time and follow the calendar year. OCVS holds an open competition for the initial year in which all applicants, new and existing must compete for funding. Only the agencies that are awarded funds during the first year may apply for continued, non-competitive funding for the intervening two years. Note that in certain circumstances, OCVS may reduce or increase the number of continuation grant years for the SAVS grant program as a whole. All grantees are on the same grant year/cycle.

An application is completed each year, but the continuation application is shorter and less rigorous than in the first competitive year. Non-competitive applications are judged on their own merits, not relative to other applications.

IV. Use of SAVS Funds

A. Priorities

The application for the SAVS Grant Program continues to reflect the priorities set by sexual assault service providers in conjunction with the WCASA statewide planning process. The priorities are:

Sustaining Existing Services

- Provide basic core services
- Strengthen or expand core services
- Maintain existing core services when funding is lost

Promoting Healthy Agencies

- Improve staff salaries and benefits in order to attract and retain qualified employees
- Ensure adequate staffing levels to provide core services
- Provide sufficient training; offer ongoing training opportunities to longer-term staff, ensure cross training for non-sexual assault staff; and provide adequate sexual assault victim services training opportunities for other agency members, such as executive directors, board members and volunteers
- Promote sexual assault victim services to increase the number of victims served and/or the number of referrals made by other agencies; and increase collaboration with cooperative agencies

Fostering Expansion of Services

- New programs in un-served areas
- Outreach/satellite offices in un-served and underserved areas
- Sexual assault victim services focusing on underserved populations

Funds may not be used to supplant, replace or divert other sources of support.

B. Eligible Services and Activities

Services and activities eligible for the use of SAVS funds include:

1. Core services for victims of sexual assault
2. Therapy and group treatment for victims of sexual assault (“Therapy” refers to intensive psychological/psychiatric treatment provided by a licensed professional.)
3. Support services to incarcerated individuals when the services pertain to the sexual violence victimization of the individual
4. Administrative staff expenses and indirect organizational costs (prorated appropriately)
5. Volunteer coordination to provide sexual assault victim services
6. Staff participation in the development of protocols, interagency agreements and other working agreements with community service providers that benefit victims of sexual assault
7. Transportation for staff/volunteers to provide sexual assault victim services and for sexual assault victims to receive services (mileage reimbursement, gas cards, taxi vouchers, and/or bus tokens, etc.)

C. Ineligible Services and Activities

Services and activities ineligible for the use of SAVS funds include:

1. Sex offender treatment/rehabilitation
2. Victim’s cost reimbursement for expenses incurred as a result of a crime (e.g. insurance deductibles, lost wages or medical bills)
3. Forensic examinations
4. Investigation services to prosecute the crime
5. Staffing domestic violence shelters. (OCVS recognizes that SAVS funded staff working at dual sexual assault/domestic violence agencies may need to “fill-in” during emergency staffing situations. However, SAVS will not fund positions regularly scheduled to staff domestic violence shelters on nights and weekends, etc.)

D. Volunteers

OCVS encourages the use of well trained and knowledgeable volunteers to provide sexual assault victim services although the use of volunteers is not a requirement to receive this grant.

V. SAVS Costs and Expenses

A. Personnel

The SAVS Grant Program will fund positions providing core sexual assault victim services. Supervisory, and/or administrative positions for sexual assault victim services may be prorated appropriately. Job descriptions inclusive of position qualifications are required with the application.

Salaries and fringe benefits should be reasonable and in accordance with the award recipient’s cost allocation plan and organizational structure.

Adequate documentation and policies must be maintained to determine appropriate funding allocations. Special care should be taken if a position is funded from more than one source.

Accurate time/attendance records must be maintained for all positions budgeted under the SAVS Grant Program. Time/attendance records must specify personnel hours worked directly on grant activities and the nature of the work performed. If hours cannot be specified, costs are unallowable.

Written policies and procedures with regard to work hours, holidays, vacation, sick leave, overtime pay, compensatory time, termination, client and staff grievance procedures, job descriptions and job qualifications must be available at the agency.

B. Staff Development

SAVS funds designated for staff development may be used to enhance the skills of staff providing core sexual assault victim services as well as supervisors and administrative staff supporting the sexual assault victim service program. SAVS funds may also be used to send volunteers and non-SAVS funded staff to attend conferences and seminars on sexual assault victim issues.

Out-of-state training is allowed if comparable training is not available in Wisconsin. Prior approval is required for out of state training.

Expenses to hire a consultant to provide in-house training on sexual assault issues to staff are allowed under the Contractual/Consultant category of the SAVS grant.

C. Travel

SAVS funds allocated for travel must relate to the provision of sexual assault victim services. SAVS funds may be used to reimburse mileage and purchase gas cards, taxi vouchers or bus tokens, etc. for staff/volunteers providing the core sexual assault victim services and victims seeking victim services. Furthermore, funds may be used to reimburse staff/volunteers for other travel expenses such as meals and lodging when those expenses relate to the provision of sexual assault victim services. Travel related expenses for non-funded SAVS staff and volunteers are allowed as long as the travel relates to the provision of sexual assault victim services.

Travel related expenses (mileage, meals, lodging, etc.) for staff development should be budgeted under the Staff Development category of the SAVS grant.

State rates for travel reimbursement apply to SAVS grants. The use of SAVS funds for travel expenses shall not exceed the state rates. Contact OCVS for current rates regarding travel reimbursement.

D. Equipment

SAVS funds may be utilized to purchase equipment for sexual assault victim services. Equipment should be prorated to the award recipient's sexual assault victim services program. Expenses in this category typically include any items with a useful life of

one year or more. SAVS funds cannot support the entire cost of an item that is not used exclusively for sexual assault victim services. However, SAVS funds can support a prorated share.

E. Supplies/Operating Expenses

SAVS funds may pay for supplies and operating expenses that are actual, reasonable and necessary expenditures required to provide core sexual assault victim services. Operating expenses may include items such as rent, printing costs, liability insurance, postage, general office supplies, telephone expenses, internet expenses, etc.

SAVS funds can be used to purchase resource materials such as books, training manuals and videos, etc. for core sexual assault victim services.

SAVS funds cannot support the entire cost of an item that is not used exclusively for sexual assault victim services. However SAVS funds can support a prorated share.

Agency membership dues for organizations that offer needed, timely and relevant information on sexual assault victim services such as the Wisconsin Coalition Against Sexual Assault, Inc. (WCASA) are allowed under the SAVS Grant Program. Membership dues required for professional licensing may not be charged to SAVS.

F. Contractual/Consultant Costs

SAVS funds may be used to contract specialized services such as an audit, media buys, bookkeeping, training consultants, translation/interpretation services, etc. These services shall be prorated to the award recipient's sexual assault victim services program. Information including the name of the contracting agency or individual and the purpose of the contract or agreement must be included in the budget section of the application.

Contracts or agreements shall be governed and interpreted under the laws of the State of Wisconsin. The award recipient shall at all times comply with and observe all federal and local laws, ordinances and regulations in effect during the period of the grant agreement which affect the work or its conduct.

The contract or other written agreement must not affect the award recipient's overall responsibility for the duration of the project and accountability to OCVS. Award recipients are responsible for contract performance when contractors/consultants are used. Contractors/consultants must abide by all terms and conditions of the SAVS grant agreement.

If an award recipient uses SAVS funds to contract with another individual/agency to provide a sexual assault victim service (i.e. 24 hour crisis line), the award recipient is required to formalize the arrangement in a contract or other written agreement between the parties involved. The contract or agreement must, at a minimum, state the activities to be performed, the time schedule, the project policies and the requirements that are applicable to the contractor, other policies and procedures to be followed, the dollar limitation of the agreement and the cost principles to be used in

determining allowable costs. Copies of all executed contracts or agreements for sexual assault services along with the qualifications of the contractor must be provided to OCVS within thirty days after the grant begins.

Agencies may follow their own procurement regulations provided that the procurement conforms to state procurement regulations for hiring contractors or consultants.

G. Other Expenses

SAVS eligible expenses not included in any other budget category should be itemized in this category; however, this budget category shall NOT be used as a catch-all category for unknown or unbudgeted expenses. Every item must be described and justified.

H. Indirect Costs

A reasonable, prorated amount for indirect/administrative costs is allowed under the SAVS Grant Program. Indirect/administrative costs are costs of an organization that are not readily assignable to a particular project or grant, but are necessary to the operation and performance of the organization. Examples of indirect/administrative costs include operating and maintaining facilities, depreciation, and administrative salaries, etc. A description of the indirect/administrative costs is required in the grant application.

VI. Financial Requirements

A. Payment of Grant Funds

Grant funds are typically disbursed in three parts. Fifty percent (50%) of the award is disbursed at the beginning of the year. Programs must then submit two (2) quarterly requests for reimbursements for the remaining six (6) months of the grant year (July-September and October-December). The final reimbursement will be issued after the SAVS Final Report is received and approved. OCVS may require some programs to submit requests for reimbursements more frequently. **Any grant funds disbursed but not expended by December 31 must be returned to OCVS at the time the final report is filed.**

OCVS will not make payments to third parties.

B. Budget Modifications

Budget variances of \$500 or less affecting any single approved budget category (personnel, staff development, etc.) is permissible without prior approval from OCVS and does not require a budget modification. OCVS shall be consulted whenever a variance exceeds \$500 per budget category.

If an award recipient determines that a modification of more than \$500 in an approved budget category is necessary, the award recipient shall request review and approval from OCVS. The award recipient shall not expend funds until OCVS approves the transfer of funds from one budget category to another.

Beginning January 1, 2015, budget modifications will be submitted through Egrants, and will be approved by OCVS staff. Budget modifications requests are not guaranteed. All requests to transfer funds must be submitted and approved by OCVS before the last business day of the SAVS grant year.

C. Record Maintenance

Award recipients will establish and maintain adequate records of all expenditures incurred under the grant agreement. All records must be kept in accordance with generally accepted accounting procedures. All procedures must be in accordance with federal, state, and local ordinances.

OCVS has the right to audit, review, examine, copy and transcribe any pertinent records or documents relating to any contract resulting from the bid/proposal held by the award recipient. The award recipient will retain all documents applicable to the grant agreement for a period of not less than three years after the final payment is made.

D. Property Management Records

Award recipients shall maintain property management records for all property acquired in whole or in part with grant funds. At a minimum, records must 1) contain copies of purchase orders and invoices and 2) include an inventory control listing which contains a) the item description b) source of funds c) manufacturer's serial number d) purchase price e) location, use and condition of property and f) final disposition price.

A physical inventory of property costing \$5,000 or more shall be taken and the result reconciled with the property record annually to verify the existence, current utilization and continued need for the property.

A control system shall be in effect to ensure adequate safeguards to prevent loss, damage, or theft to property. Any loss, damage or theft of property shall be investigated, fully documented and made part of the office grant file.

Disposal of property or equipment purchased in whole or in part with grant funds is subject to approval by OCVS. OCVS will determine how the property or equipment is disposed of upon termination of the grant.

E. Procurement Transactions

Award recipients shall use their own procurement procedures and regulations, provided that the procurement conforms to applicable State of Wisconsin law and standards identified in the Wisconsin Administrative Code Chapters 7, 8, and 10.

F. Audit

If the award recipient already has an annual audit performed by independent auditors, the auditors are responsible to determine whether state and federal single audit requirements apply to the award recipient and if so, they are also the ones

responsible for complying with state and federal single audit regulations. An award recipient that expends \$500,000 or more in federal financial assistance in their fiscal year must have a single audit for that year. If a single audit is required and compliance testing must be done, the auditors will decide which grant programs need to be tested for compliance, and they will perform the testing themselves. Organizations expending less than \$500,000 in their fiscal year are exempt from audit requirements.

If a single audit is prepared, the award recipient must send OCVS a copy of it within nine months from the end of the award recipient's fiscal year or within thirty days completion of the audit, whichever is sooner.

Award recipients funded by more than one Wisconsin DOJ grant program (i.e. SAVS and VOCA) only need to submit one copy of the audit report to OCVS. SAVS recipients may use a prorated portion of SAVS funds to conduct the agency's audit whether or not the agency spent \$500,000 in federal awards.

VII. Program Reports and Record Keeping Requirements

A. General

Award recipients shall keep OCVS advised of the name, title, address and telephone number of the SAVS Grant Contact Person. The SAVS Contact Person is the individual with whom OCVS will communicate regarding all project related matters.

Award recipients shall keep OCVS advised of the name and qualifications of each person, including consultants and subcontractors, whose position is funded in whole or in part by this grant. Award recipients must notify OCVS of the departure date and hire date of staff holding SAVS funded positions within thirty (30) days of the change.

Award recipients may be required to submit their work plan periodically, upon request of OCVS, to demonstrate progress.

Furthermore, OCVS may at any time, request the award recipient's most recent audit or financial statement. OCVS may also request receipts for expenditures, payroll, records, etc.

B. Six-Month and Final Reports

OCVS requires all award recipients to provide a six-month and final report. The six-month report includes a program status report, a program narrative, and a financial status report covering the time period from January 1 through June 30. The final report includes a program status report, a program narrative, a financial status report, and a statistical report covering the time period from January 1 through December 31.

C. First and Third Quarter Reports

OCVS requires all award recipients to provide a first and third quarter report. The will consist of the following:

First Quarter Report –

- Financial Status Report – reporting first quarter spending
- Narrative

Third Quarter Report-

- Financial Status Report – requesting third quarter reimbursement
- Narrative

Reports will be due thirty days after the end of the report period. Beginning January 1, 2015, reports will be completed via E-grants. Financial status reports must be signed by the Project Director and Financial Officer. They may be emailed, faxed or sent via US mail to DOJ-OCVS.

C. Statistical Requirements

Award recipients are required to report statistics to OCVS for each calendar year supported by the grant in the final report. Please refer to Appendix B for Statistical Requirements (page 17-18). Requirements reflect statutory mandates and core services.

Award recipients are required to use an agreed-upon data collection system. This system will collect the data necessary to meet SAVS statistical requirements. Recipients will be charged for the data system and annual updates. You may include the cost in your grant application. The costs requested in the application must be based on the costs associated with the clients to be served under the grant.

Information regarding the data collection system will be provided when a vendor is selected by OCVS.

D. Client Files

Award recipients shall keep client files in accordance with state and federal laws.

VIII. Additional Requirements

A. Training

The Wisconsin Department of Justice, Office of Crime Victim Services (OCVS) offers Crime Victim Rights/Compensation/SAFE Fund training. Staff whose positions are funded by the SAVS grant are required to attend this training once every three years. OCVS will provide a training schedule at the beginning of the grant year. Programs may contact OCVS to confirm whether current staff have met this requirement.

B. Affirmative Action

Award recipients must agree not to discriminate against any employee or applicant for employment because of age, race, religion, color, handicap, sex, physical condition, developmental disability as defined in §. 51.01(5) Wis. Stats., sexual orientation as defined in s. 111.32(13m), Wis. Stats., or national origin. This provision shall include, but not be limited to, the following: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Wisconsin's Contract Compliance Law (§.16.765, Wis. Stats.), requires every vendor contracting with the State of Wisconsin to agree to equal employment and affirmative

action policies and practices. In addition, contracts estimated to be \$25,000 or more require vendors to post in conspicuous places, available for employees and applicants for employment, notices setting forth Wisconsin's nondiscrimination laws.

An affirmative action plan is required from any vendor who receives a state contract for \$25,000 or more and who has a work force of twenty-five (25) or more employees as of the award date. The vendor must, within fifteen (15) working days of receiving the state grant, submit an affirmative action plan acceptable under law or claim an exemption for the requirement.

An affirmative action plan is not required when:

1. The vendor receives a state contract for less than \$25,000
2. The vendor has less than twenty-five (25) employees regardless of the amount of the contract.
 - a. The vendor is a federal government agency or Wisconsin municipality or
 - b. The vendor has a balanced work force. ("Balanced Work Force" means an equitable representation of handicapped persons, minorities and women in each level (job category) of a work force which approximates the percentage of handicapped persons, minorities and women available for jobs at each level from the relevant labor market from which the vendor recruits job applicants.) The vendor must submit:
 - i. A completed Work Force Analysis
 - ii. Supporting labor market information if requesting an exemption based on this reason and
 - iii. Equal Employment Opportunity Policy Statement
3. Vendors must, within fifteen days, provide the contracting agency with a list identifying any subcontractor(s) or specifying that none exists. Similar contract compliance requirements apply to subcontracts awarded under the state contract.
4. Agencies awarded grants under SAVS will be contacted by the Department of Justice Contract Compliance Officer if an affirmative action plan is required.
5. Questions regarding contract compliance issues **only** should be directed to:

Contract Compliance Officer
Wisconsin Department of Justice
PO Box 7857
Madison, WI 53707-7857

C. Nondiscrimination

The award recipient must comply with non-discrimination in both both employment and the delivery of services or benefits on the basis of race, color, national origin, religion, sex, and handicap in its programs or activities. The grantee will also comply (and will require any subcontractor to comply) with any additional applicable federal nondiscrimination requirements, including Title VI of the Civil Rights Act of 1964 (42 U.S.C. § 2000d; Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. § 794); Title IX of the Education Amendments of 1972 (20 U.S.C. § 1681); the Age Discrimination Act of 1975 (42 U.S.C. § 6102); 28 C.F.R. pt. 42 (U.S. Department of Justice Regulations – Nondiscrimination; Equal Employment Opportunity; Policies and Procedures); 28 C.F.R. pt. 54 (U.S. Department of Justice Regulations –

Nondiscrimination on the Basis of Sex in Education Programs or Activities Receiving Federal Financial Assistance) 28 C.F.R. pt. 38 (U.S. Department of Justice Regulations – Equal treatment for Faith-Based Organizations); Ex. Order 13279 (Equal Protection of the Laws for Faith-Based and Community Organizations); and Ex. Order 13559 (Fundamental Principles and Policymaking Criteria for Partnerships with Faith-Based and Other Neighborhood Organizations). In accordance with these laws, the grantee will not retaliate against individuals for taking action or participating in action to secure rights protected by these laws.

In the event a federal or state court or federal or state administrative agency makes a finding of discrimination after a due process hearing on the grounds of race, color, national origin, religion, sex, or disability against a recipient of funds, the recipient will forward a copy of the finding to the U.S. Department of Justice, Office of Justice Programs, Office for Civil Rights, and the OCVS.

As clarified by Executive Order 13166, Improving Access to Services for Persons with Limited English Proficiency, and resulting agency guidance, national origin discrimination includes discrimination on the basis of limited English proficiency (LEP). To ensure compliance with Title VI of the Civil Rights Act of 1964, a recipient must take reasonable steps to ensure that LEP persons have meaningful access to its programs. Meaningful access may entail providing language assistance services, including oral and written translation, where necessary. The recipient is encouraged to consider the need for language services for LEP persons served or encountered both in developing its budget and in conducting its programs and activities.
